

# JUSTC

Volume 52, Issue 6, June 2022

---

## CONTENTS

### Life Sciences and Medicine

SARS-CoV-2 nucleocapsid protein: Importance in viral infection

..... *H. M. Shifa ul Haq, Arnaud John KOMBE KOMBE, Ayesha Zahid, et al.* (1)

Diagnostic role of NPY methylation in patients with colorectal cancer

..... *Jing Wang, Yuan He* (2)

### Physical Sciences

Coherent photoproduction processes in hadronic heavy-ion collisions

..... *Jiaxuan Luo, Xin Wu, Jian Zhou, et al.* (3)

Unruh effect of multiparticle states and black hole radiation

..... *Jianyu Wang* (4)

### Engineering and Materials Science

Application of a newly developed naive Bayes algorithm in fire alarm

..... *Xiangyong He, Yong Jiang, Yong Hu* (5)

Effect of speckle size on surface crack detection via digital image correlation

..... *Milad Z. Aghdam, Nasser Soltani* (6)
